
Building consist of Upper Ground, Second, Third and Fourth.

Built on land area of 251 square yard, perched over in the air with absolutely breathtaking panoramic views of all of Cyber City, All the floors has been completely reimagined by one of the most sought-after design houses in Gurugram and represents an utterly unique opportunity to own a property of a significant value for both investment point of view as well as living wise.

The residence is comprised of 3 bedrooms, 3 bathrooms, a modular kitchen and a great living/dining space.

The living room consists of full wall size windows which gives you ample amount of sunlight, Italian marble flooring and full home automation. A selection of exquisite stone wraps the kitchen and each bathroom, intricate design details. All floors will be fitted with 5 Daikin's AC.

Each floor gets 1 servant room and 25% share in car parking..

ABOUT US

Thank you for considering us. Over a decade ago we created a business partnership that grew into a friendship that the two of us never could've imagined. I guess we could say the same for the business that has come of it as well. Together we are growing with the sole mission to be the best at what we do so we can best serve you in all of your real estate needs. We hope you give us the opportunity to show you and how we different than the rest. We look forward to working with you!

Truly yours, Bharat Garg and Ashish Jain.
